### My best friend

Wang Hua is my best friend. He is in Class One, Grade Seven. He has many hobbies and interests. He likes goldfish best and he likes watching them swim around. He also loves all kinds of outdoors. He often goes camping because he likes being outside.

Wang Hua has different abilities. He writes good articles and plays the piano well. He learns things quickly and plans everything well.

Wang Hua has many good qualities. He is helpful. He is a volunteer at the community center. He is ready to help people with all kinds of problems. He often takes part in activities like raising money for poor children. He is also brave. Last week, he helped his neighbour out of the fire.

I'm very lucky to have a friend like him.
