十一、阅读判断

阅读理解，根据短文内容，判断正(T)和误(F)。

I have a picture of my school. There is a new building in the middle of the picture. There are many flowers and trees near the building. There're twelve classrooms in it. There're twenty-four desks for the students and one desk for the teacher in every classroom. Beside the building, there is a big playground. There are some boys and girls in it. They're playing happily.

There are some houses next to the building. They are our library and reading rooms. How many windows are there in every reading room? Four. So it's bright. Now some students are reading.

We all like our school very much.

53. I have a picture of a new classroom. ()
54. There is a new building in the picture. ()
55. There are twenty-five desks in every classroom. ()
56. There aren't any flowers or trees near the new building. ()
57. There're four windows in the building. ()

参考答案

1. B
