### 参考答案与试题解析

#### 一. 书面表达（共 10 小题）

1. 假定你是李华，你校将举办英语演讲比赛。请你以"Build a beautiful campus"为题写一篇发言稿参赛，内容包括：

（1）具体做法；

（2）你的感想。

注意：

（1）写作词数应为 80 左右；

（2）请按如下格式在答题卡的相应位置作答。

Build a beautiful campus

【考点】演讲稿；提纲作文；校园文明与安全.

【答案】

Build a beautiful campus

My dear classmates, I'm Li Hua. It is my great honor to stand here and deliver a speech titled "Build a beautiful campus".

As students, building a beautiful campus is our duty. We can involve ourselves in it by taking part in campus cleanup initiatives, maintaining campus facilities, hosting art and cultural events and so on. These actions, small yet significant, have made me realize the importance of joint efforts. Every little action contributes to a larger goal. Only by working together, can we build a more beautiful campus.

That's all. Thanks for listening!

【分析】高分句型一：It is my great honor to stand here and make a speech whose title is "Build a beautiful campus".

译文：我很荣幸能站在这里发表题为"建设美丽校园"的演讲。

分析：这句话使用了 whose 引导的限制性定语从句。

高分句型二：Only by working together, can we build a more beautiful campus.

译文：只有共同努力，我们才能建设一个更加美丽的校园。

分析：这句话使用了 only+介词短语置于句首，后面接部分倒装。

【解答】

### Build a beautiful campus

My dear classmates, I'm Li Hua. It is my great honor to stand here and make a speech whose title is "Build a beautiful campus". 【高分句型一】（开场白）

As students, building a beautiful campus is our duty. We can involve ourselves in it by taking part in campus cleanup initiatives, maintaining campus facilities, hosting art and cultural events and so on. （具体做法） These actions, small yet important, have made me realize the importance of joint efforts. Every little action contributes to a larger goal. Only by working together, can we build a more beautiful campus. 【高分句型二】（感想）

That's all. Thanks for listening! （感谢）

【点评】这是一篇提纲类作文。需要注意紧扣文章主题，给出的要点都需要包括，缺一不可。写作时注意准确运用时态，上下文意思连贯，符合逻辑关系，不能出现文章脱节问题。尽量使用自己熟悉的单词句式，同时也要注意使用高级词汇和高级句型使文章显得更有档次。同时注意要求的字数，不要太多也不要太少。

2. 假定你班外教 George 将班级分组，开展以 "AI and Us" 为主题的讨论，请你代表你组用英语写一份发言稿，向班级汇报，内容包括：

Dear classmates,

I'm very pleased to report our group's discussion on "AI and Us" on behalf of our group. \_\_\_\_\_

Thank you very much.

【考点】演讲稿；提纲作文；科技生活。

【答案】 Dear classmates,

I'm very pleased to report our group's discussion on "AI and Us" on behalf of our group. Artificial intelligence, or AI, has transformed our daily lives in numerous remarkable ways. Its convenience is evident in tasks that range from simple to complex. AI - powered assistants can help us manage our schedules, reminders, and even our finances. In the realm of entertainment, AI - driven recommendation systems tailor our music, movies, and

reading material to our personal preferences. Moreover, AI has made significant strides in fields like healthcare, where it can assist in diagnosing diseases and providing personalized treatment plans. In transportation, AI-driven vehicles promise safer and more efficient roadways. And in education, AI tools are revolutionizing the way we learn, providing personalized learning experiences.

However, while AI brings immense convenience, we must ensure that its development is ethical and inclusive. We should promote AI education in schools to understand its capabilities and limitations, thus harnessing its benefits while mitigating potential risks.

Thank you very much.

【分析】高分句型一：Its convenience is evident in tasks that range from simple to complex.

【考点】演讲稿；提纲作文；学习生活。

【答案】Hello, everyone,

We had a wonderful English debate competition last week. I am thrilled to share my ideas with you.

It was the first time that we had an opportunity to debate in English and I was privileged to be a key participant. The topic of our debate was whether take-out food should be allowed on campus. We had so much fun exchanging different ideas. Though our team lost, learned so much. Not only did we practice speaking English, but also we were able to reflect on the topic deeply. If given more time for preparation, I am sure we will argue much better. Therefore, my suggestion is that we should be informed of the debate topics in advance. Debating is such a meaningful activity. I can't wait to do it again. Thank you!

【考点】演讲稿；提纲作文；科技生活。

【答案】Good morning!

I'm Li Jin from Chenguang High School. After the OpenAI Developer Conference, our school's International Department organized this student exchange activity to share our thoughts.

The future brings huge challenges, especially in knowledge and ability. We need to constantly learn and update our knowledge to keep up with the times. We also need to have the ability to innovate and think critically to deal with various complex problems and challenges.

To meet these challenges and adapt to the future, we can take several measures. Firstly, we should keep learning and expanding our knowledge and skills through formal education, self-study, and online courses. Secondly, we should pay attention to cultivating our innovation and critical thinking ability by

participating in various innovation and entrepreneurship activities, reading more books and articles, and thinking and discussing with others. Finally, we should maintain an open and positive attitude, be brave in accepting new things and challenges, and constantly adapt to changes.

In conclusion, although the future will bring us huge challenges, I believe that as long as we are prepared and take positive actions, we will be able to meet these challenges and create a better future.

【考点】演讲稿；主题式；旅游与交通。

【答案】Ladies and gentlemen,

Good day! Today, I am honored to address the theme "Transportation Development Is Changing Our Life" for the English speech competition held at our school.

Transportation development in China has significantly improved the quality of life for its people. The advancement of infrastructure, such as high-speed railways and expressways, has revolutionized how we travel and connect with one another. Long-distance travel is now more accessible and convenient, strengthening relationships and enriching experiences. The efficiency of transportation has had a positive impact on the economy, benefiting businesses and creating job opportunities.

Overall, the evolution of transportation in China has brought about transformative changes in our lives, from improving connectivity and economic prosperity to promoting environmental sustainability. Let us continue to embrace and support this progress for a brighter and more sustainable future.
