### 【参考范文】

Dear Peter,

I'm glad that you are caring about the development of my hometown. Now I will tell you something about it.

Great changes have taken place since the 19th National Congress of the Communist Party of China. The targeted poverty reduction has reached its ideal aims. Many poor families have got effective help from local government and have improved their life greatly. Many old houses are replaced by new tall buildings which are surrounded with green trees and colourful flowers. The rivers that had been polluted seriously before are getting clearer and clearer. Besides, all kinds of fishes return to the rivers. The sky is filled with white and cleaner clouds.

Please come to visit my hometown in the near future.

Yours,

Li Hua
