Dear Ms.Hall,

I'm Li Hua, a student from Xinhua Senior School.I am writing, on behalf of my class, to extend our sincere welcome to you.

We have long been expecting to attend your English class, as we find it uncomfortable to express ourselves in English although we have been learning it for years.Besides, lacking knowledge of western culture constantly presents itself as a setback in our English learning.Therefore, we would appreciate your guidance in spoken English and chances for us to get involved in relevant activities.If possible, we wonder if you could have topics about western culture in class, especially the influence that religions have on western culture.

Looking forward to meeting you soon!

Yours,
Li Hua
