### 【参考范文】

Dear Tom,

How are you going these days? I'm writing to share with you something about our school's Sports Club, and the detailed information is as follows.

The Sports Club is located in our school's gym, where a variety of activities are held every afternoon after school. At weekends, it is available all day for all students who are interested in sports events. Badminton, basketball and table tennis are especially popular among students. What excites me most is that there are some kinds of competitions held every few weeks, which attract many students to watch and enrich our school life. In a word, it is an ideal place to relax ourselves after class.

Best wishes!

Yours sincerely,

Li Hua
